Job Training Opportunities List for Single Employers
October 2008

Contractors Statewide are recruiting businesses/employers to participate in ETP funded training.

Your employees may qualify for training if they meet one of the following criteria:

- 1) workers employed full-time for a minimum of 90 days,
- 2) workers who have been employed for less than 90 days and have a work history of being employed for at least an average of 20 hours per week for at least 90 days by an ETP eligible employer(s) during the 180 day period preceding their current hire date;
- 3) workers who were employed less than 90 days prior to the start date of employment and were collecting Unemployment Insurance (U.I.) benefits, or had exhausted their benefits within the previous two years.

For further information on these-job training programs, please call the contact person identified on this list. These classes are free to eligible trainees.

The following ETP Contractors list is categorized by coverage area, as follows:

1. Central
2. Los Angeles
3. Northern California
4. San Diego
5. San Francisco / Bay Area
6. Statewide

NOTE: This list is updated frequently and, therefore, there is a chance that the employer(s) listed may have already filled the vacant training slots. Contacting these training agencies is not a guarantee that an individual will qualify or be accepted into the training program nor is it a promise of a job. The information provided below is subject to change on a daily basis
